After launching the app, press the 'REGISTER' button to join the membership

Step 03 | Main

Once you logged in, press the 'START' button.

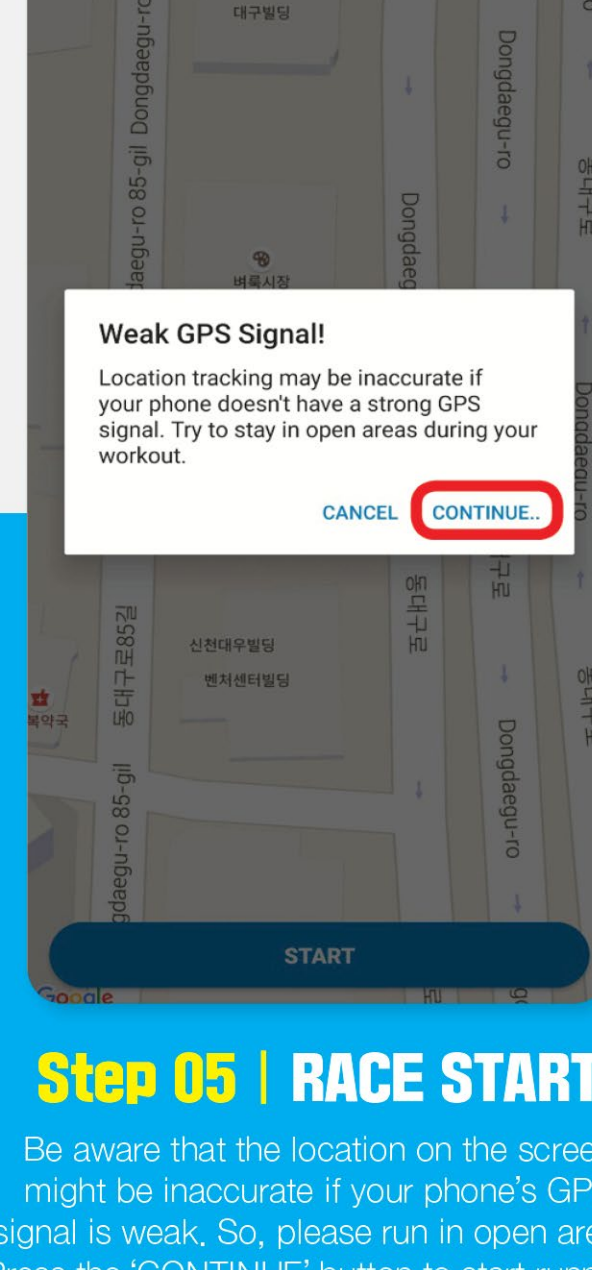

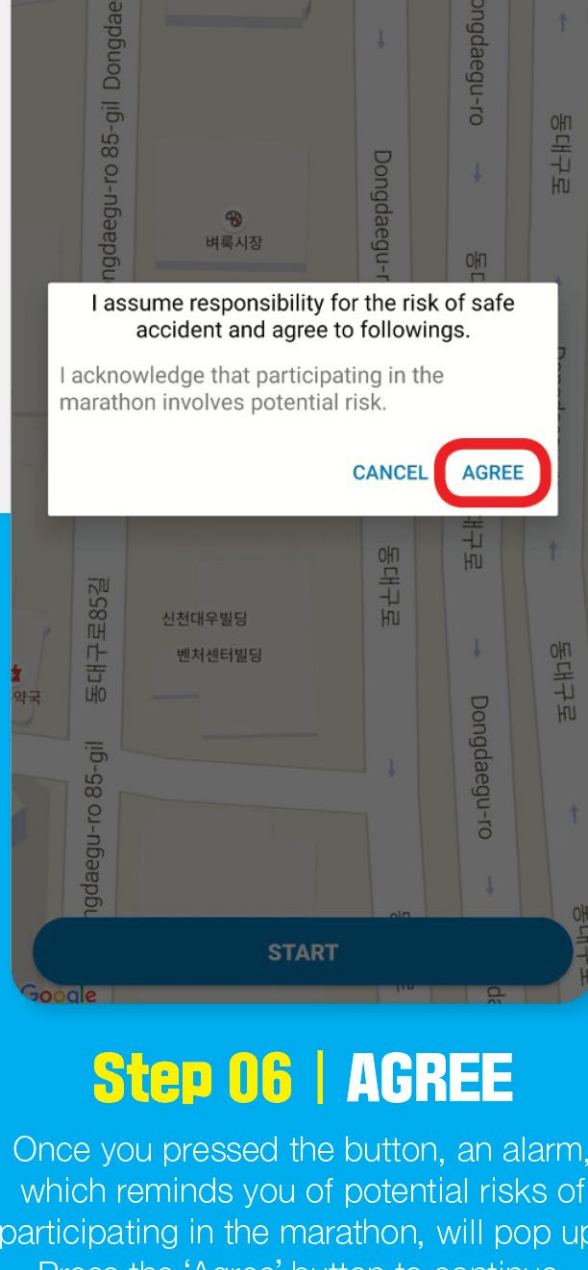

Step 04 | START

Next, press the 'RACE' button.

Step 05 | RACE START

After loading your exact location, you'll be able to press the 'START' button.

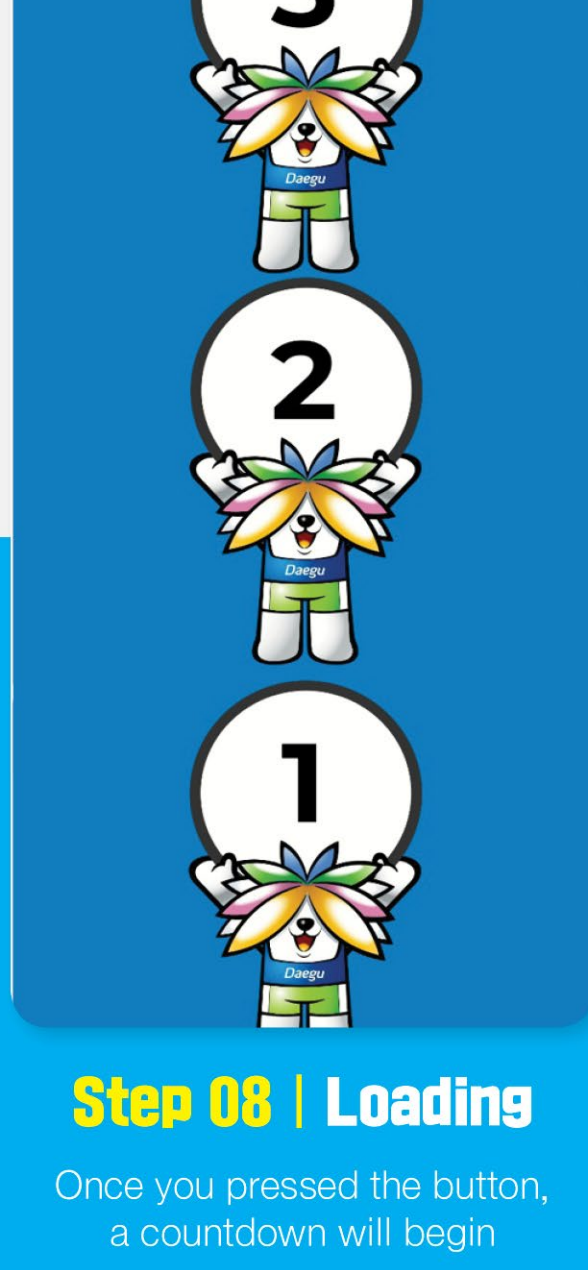

Step 06 | AGREE

Once you pressed the button, an alarm, which reminds you of potential risks of participating in the marathon, will pop up. Press the 'Agree' button to continue.

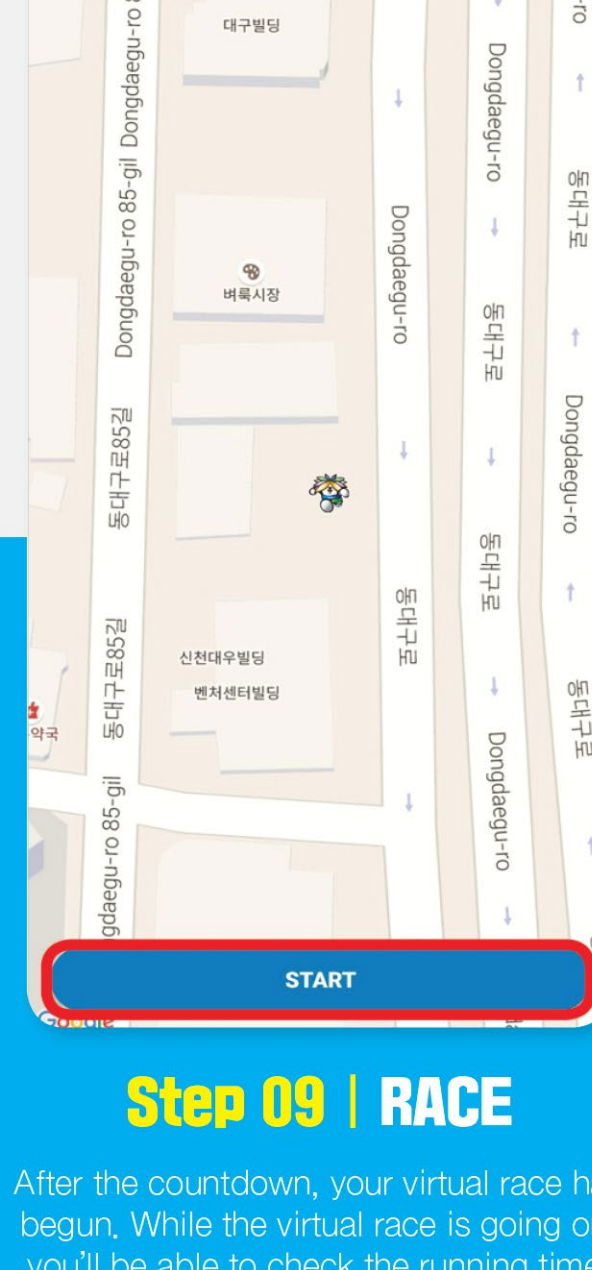

Step 05 | RACE START

Be aware that the location on the screen might be inaccurate if your phone's GPS signal is weak. So, please run in open areas. Press the 'CONTINUE' button to start running.

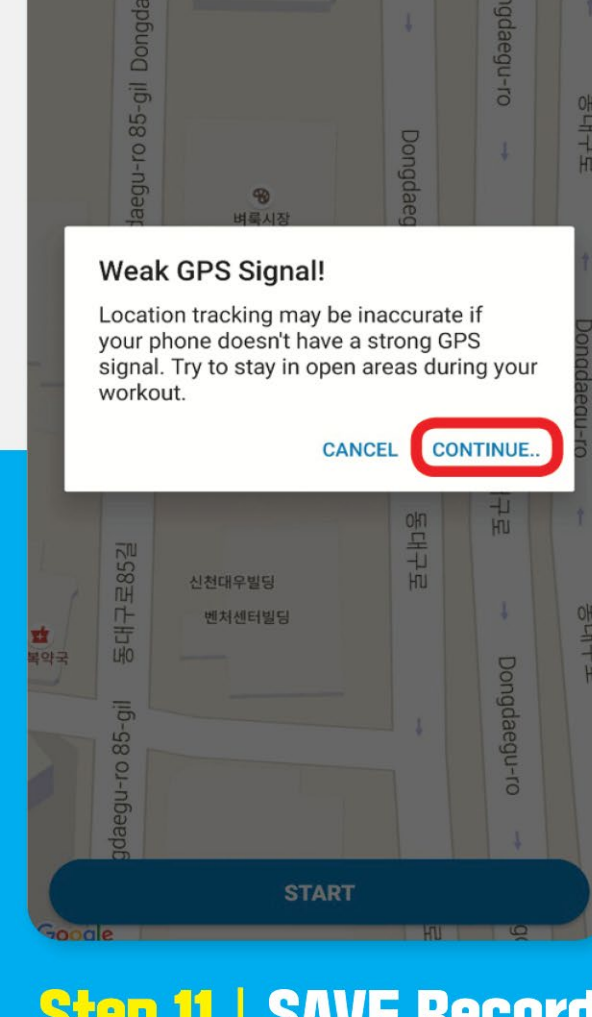

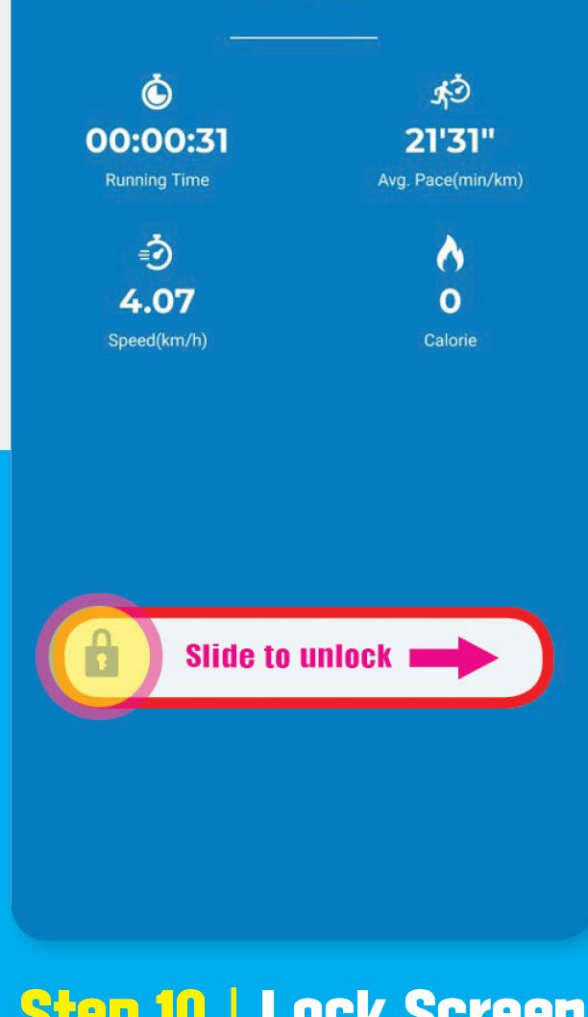

Step 08 | Loading

Once you pressed the button, a countdown will begin

Step 09 | RACE

After the countdown, your virtual race has begun. While the virtual race is going on, you'll be able to check the running time, distances and your pace.

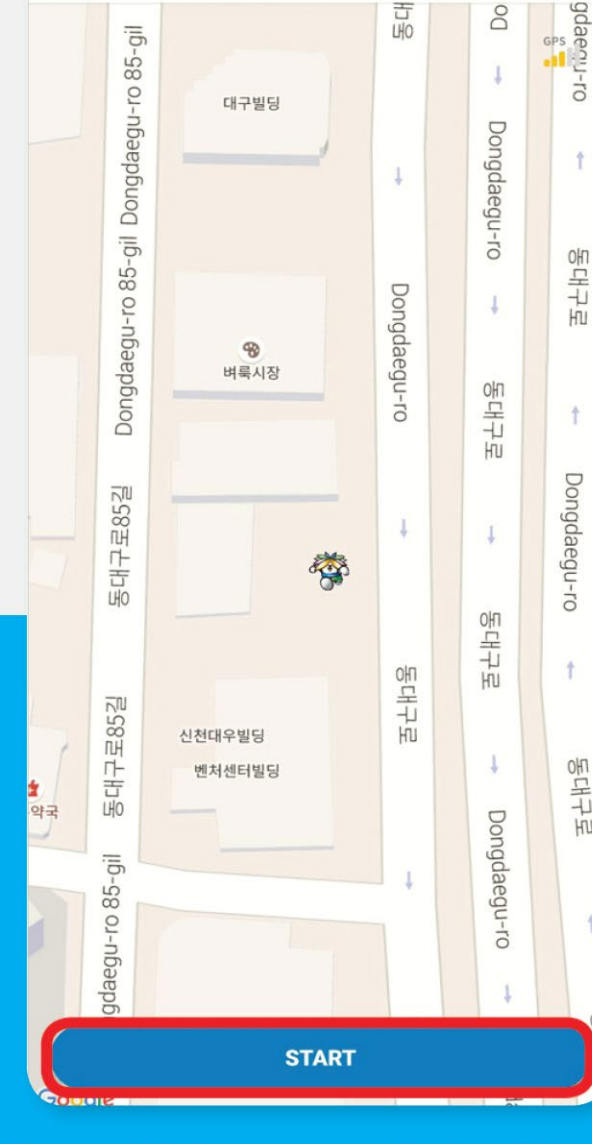

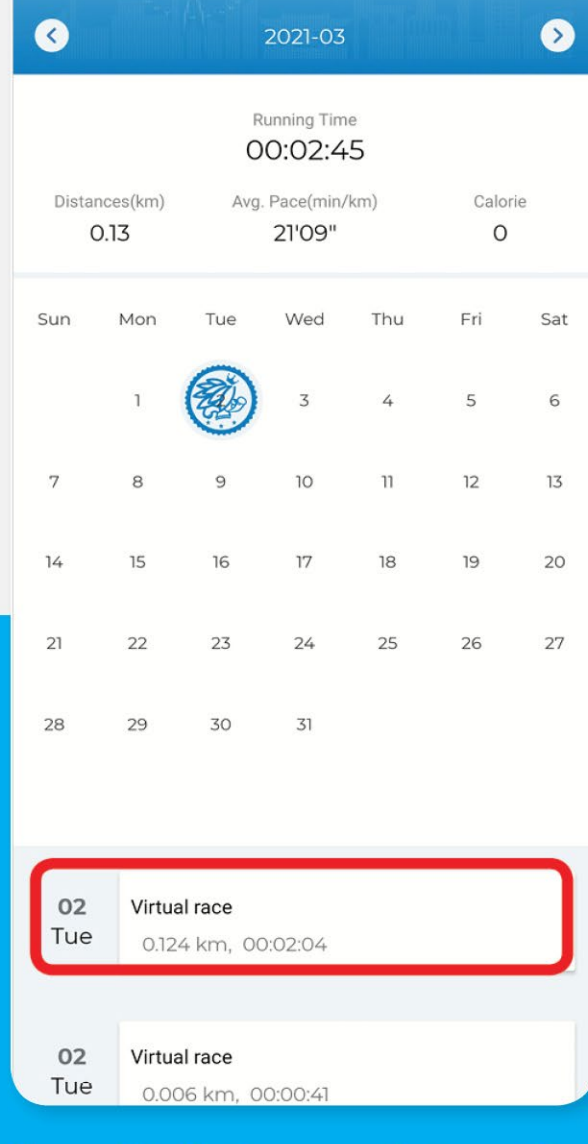

Step 10 | Lock Screen

You can lock this running screen, but you can still check the status.

Step 11 | SAVE Record

If you'd like to stop the virtual race and keep the record, press the 'SAVE' button.

Step 12 | Record Confirm

You can check the records of your previous races on the calendar in this app if you successfully saved them.

Step 13 | Record Certified

If you'd like to know further details of one particular record among the other records, you're able to do so by clicking the record.

Notice

We provide finisher's record card if you finish the 10km virtual race between April 1st and April 30th, 2021.

Daegu Airport, Dongdaegu Station and Dongsungro Tourist Information Center provide 2021 finisher's medal to the '2021 Daegu International Marathon' foreign participants who visit Daegu within 5 years (until 2026) after the marathon if they present their own finishers' record card to the places mentioned above.
